

PREAMBLE

The Shorehouse List is precise, yet laid back, with subtle refinement - much like our good selves.

You may find it both surprising and, at times, challenging. It has a quiet confidence that balances a mix of Australian heroes and classic examples from international regions.

From Margaret River to Montrachet, from Pemberton to Piedmont, there's wine for our loyal locals and for all ye diehard wine geeks.

We're an uncomplicated bunch; honest, rustic, straightforward, approachable and without pretense.

Talk with us about our wine, we love it all.

Sommeliers;

Nina Throsby

Aaron Commins

---------------------	--------------	--------------------	---	----

ABOUT | With over 50 vintages between them Mike Kerrigan (Hay Shed Hill) and Gavin Berry (West Cape Howe) know WA grapes as well as anybody. Their Pinot Grigio from Mt Barker and Frankland River goes into our house wine. Picked early to retain freshness and to keep alcohol low, this wine is clean bright and an easy summer drink.

*CORAVIN: TO PUT IT SIMPLY; CORAVIN ALLOWS US TO EXTRACT WINE FROM A BOTTLE WITHOUT REMOVING THE CORK AND DISRUPTING THE OXYGEN LEVELS.

HOW? A THIN HYPERDERMIC NEEDLE GOES INTO THE CORK AND ARGON GAS PUSHES THE WINE UP AND OUT. THE NEEDLE IS THEN REMOVED AND BECAUSE OF THE SPONGE LIKE TEXTURE OF THE CORK, ALL IS RESEALED - NEAT.

RIESLINGFREAK @ THE SHOREHOUSE

John Hughes has grown up amongst the vines of his family's vineyards, working in them to understand riesling from a very young age. His first vintage was in 2009 and has since grown to purchase land in both the Eden Valley and Clare Valley's prestigious Polish Hill.

Made with the philosophy of representing the hallmarks of a single region or style, each bottle is allocated an individual number. This number represents not only the region in which the fruit was grown, but also the style, technical specifications and quality level to which the wine is made. Impressive.

We think this is dedication to riesling in it's highest form, committing every facet of one's vinous operation to the diversity, and appreciation thereof, for this most noble of grape varieties.

RIESLING FROM THERE

German wine labels are complicated, terminology incomprehensible, but the wine is amongst the best in the world showcasing every nuance of terroir with ravishing delicacy and absolute clarity and transparency. Surely German wines have done enough to bust the myth that all Riesling is akin to sweet Liebfraumilch, aka Blue Nun. We certainly think so.

SHOREHOUSE GUIDE TO UNDERSTANDING

GERMAN WINE SPEAK - YAH

TROCKEN: literally 'dry'

KABINETT: lighter styles of wine an often off-dry

SPÄTLESE: picked one week after Kabinett grapes - typically fruity, medium-sweet

GRBOES GEWACHES: top of the pops; high quality dry wine from selected sites.

WHAT IS ORANGE WINE?

The Georgians started it, the Italians are famous for it, we Aussies copied it and voila, it's now trendy. The juice is left in contact with the skins for longer than rose but less time than the red stuff. Freshness of white wine with some phenolic grip of red.

LOIRE VALLEY REDS

The Loire is one of the largest and most diverse wine regions in France, producing virtually every type of wine – still & sparkling, dry & sweet, red, white, and rosé. Whilst the leading white grapes of the Loire - Chenin Blanc & Sauvignon Blanc - are the world's benchmarks, the Loire's reds are less famous than its neighbours in Bordeaux or Burgundy. They are, however some of our faves. The Loire produces red wines with the same qualities we like to see in our fruit; vibrant, crunchy and flavoursome.

* A LITTLE NOTE FOR A BIG ISSUE

We love Jancis (Master of Wine) and we think she knows her stuff. This is her take on the whole misuse of the words.

We down.

The word variety is a noun. When speaking about wine, a variety is a type of vine or a type of grape.

For example, Pinot Noir is a grape variety. Many people will use the word varietal when they really mean variety. Varietal is a descriptive term.

The word is increasingly misused in place of variety. Varietal glassware and varietal labelling are describing the object.

E.g. Pinot Noir is a grape variety that should be served in varietal glassware.

MADEIRA

'Top quality Madeira is one of the world's most wickedly underrated fine wines. I know you will have read that about Sherry - and that's true, too - but Madeira tastes like the elixir of life itself'

- JANCIS ROBINSON MW

THE PROCESS HOW YA MAKE IT

Harvest ye grapes at varying ripeness levels depending on desired style of Madeira

Bottle and rest for 90 days...
you also deserve a break,
you've just made Madeira

Transfer finished [almost] wine to steel tanks (Estufa) and simmer to 50degrees for 3 months

Fermentation begins.
Halt fermentation by addition of a neutral grain spirit.

Note to Self: the earlier the addition, the sweeter the wine

HENRIQUES & HENRIQUES 15YRS

ALL \$12

DRY | SERCIAL pronounced citrus characters and sharp acidity makes for a good apéritif

MEDIUM DRY | VERDELHO rounder than Sercial; its elegant fruit makes it suitable for both before and during food

MEDIUM SWEET | BOAL perfumed and medium sweet; harmonious balance between nuttiness (a word), sweetness, and acidity

SWEET | MALVASIA (Malmsey) the most recognised style ; rich, sweet, and full of milky chocolatey goodness

AMARI & LIQUEUR

There's so much weight, history, and complexity packed into one little word - Amaro. We know it's Italian for *bitter*, and its plural is *Amari*, but when it comes to production, appreciation and consumption of Amaro, we're guided more by tradition rather than strict classification. Amari are created by macerating and/or distilling bitter barks, herbs, seeds, spices, citrus peels, flowers and other botanicals in a neutral spirit or wine that is then sweetened. We love Amari so much we have named our youngest daughter in its honour. All Amari \$10
