

## PREAMBLE

The Shorehouse List is precise, yet laid back, with subtle refinement - much like our good selves.

You may find it both surprising and, at times, challenging. It has a quiet confidence that balances a mix of Australian heroes and classic examples from international regions.

From Margaret River to Montrachet, from Pemberton to Piedmont, there's wine for our loyal locals and for all ye diehard wine geeks.

We're an uncomplicated bunch; honest, rustic, straightforward, approachable and without pretense.

Talk with us about our wine, we love it all.

Sommeliers;

Nina Throsby

Aaron Commins

----	------------------	--------------	--------------------	---	----

ABOUT

With over 50 vintages between them Mike Kerrigan (Hay Shed Hill) and Gavin Berry (West Cape Howe) know WA grapes as well as anybody. Their Pinot Grigio from Mt Barker and Frankland River goes into our house wine. Picked early to retain freshness and to keep alcohol low, this wine is clean bright and an easy summer drink.

15	Koomilya	Shiraz	McLaren Vale, SA	24*	130

\*CORAVIN: TO PUT IT SIMPLY; CORAVIN ALLOWS US TO EXTRACT WINE FROM A BOTTLE WITHOUT REMOVING THE CORK AND DISRUPTING THE OXYGEN LEVELS.

HOW? A THIN HYPERDERMIC NEEDLE GOES INTO THE CORK AND ARGON GAS PUSHES THE WINE UP AND OUT. THE NEEDLE IS THEN REMOVED AND BECAUSE OF THE SPONGE LIKE TEXTURE OF THE CORK, ALL IS RESEALED - NEAT.

## RIESLING FROM THERE

---

German wine labels are complicated, terminology incomprehensible, but the wine is amongst the best in the world showcasing every nuance of terroir with ravishing delicacy and absolute clarity and transparency. Surely German wines have done enough to bust the myth that all Riesling is akin to sweet Liebfraumilch, aka Blue Nun. We certainly think so.

### SHOREHOUSE GUIDE TO UNDERSTANDING

#### GERMAN WINE SPEAK - YAH

TROCKEN: literally 'dry'

KABINETT: lighter styles of wine an often off-dry

SPÄTLESE: picked one week after Kabinett grapes - typically fruity, medium-sweet

GRßOES GEWACHES: top of the pops; high quality dry wine from selected sites.

### GERMANY

# OLD WORLD CHARDONNAY

---

## CHABLIS

The only thing truly original in the world of wine is the underlying terroir and I have nothing else interesting to add. Anyone can copy anyone else's techniques so what else is there to make great wines? I believe the answer is simple: Terroir. I want to work only with the fruit from old vines and even then, only old vines that are planted exclusively within the original boundaries of Chablis. If I respect these things, it will be almost impossible to make bad wine.

- PATRICK PIUZE

16	Maison Patrick Piuze <i>Terroir de Fyé</i>	Chardonnay	Chablis AOP	125

## WHAT IS ORANGE WINE?

The Georgians started it, the Italians are famous for it, Aussies copied it and voila, it's now trendy. The juice is left in contact with the skins for longer than rosé but less time than the red stuff. Freshness of white wine with some phenolic grip of red.

AUSTRALIA	17	Cullen Amber	Sauvignon Blanc	Margaret River	85

## LOIRE VALLEY REDS

---

The Loire is one of the largest and most diverse wine regions in France, producing virtually every type of wine – still & sparkling, dry & sweet, red, white, and rosé. Whilst the leading white grapes of the Loire - Chenin Blanc & Sauvignon Blanc - are the world's benchmarks, the Loire's reds are less famous than its neighbours in Bordeaux or Burgundy. They are, however some of our faves. The Loire produces red wines with the same qualities we like to see in our fruit; vibrant, crunchy and flavoursome.

#### \* A LITTLE NOTE FOR A BIG ISSUE

We love Jancis (Master of Wine) and we think she knows her stuff. This is her take on the whole misuse of the words.

We down.

The word variety is a noun. When speaking about wine, a variety is a type of vine or a type of grape.

For example, Pinot Noir is a grape variety. Many people will use the word varietal when they really mean variety. Varietal is a descriptive term.

The word is increasingly misused in place of variety. Varietal glassware and varietal labelling are describing the object.

E.g. Pinot Noir is a grape variety that should be served in varietal glassware.

# MADEIRA

---

'Top quality Madeira is one of the world's most wickedly underrated fine wines. I know you will have read that about Sherry - and that's true, too - but Madeira tastes like the elixir of life itself'

- JANCIS ROBINSON MW

## THE PROCESS HOW YA MAKE IT

Harvest ye grapes at varying ripeness levels depending on desired style of Madeira

Bottle and rest for 90 days...  
you also deserve a break,  
you've just made Madeira

Transfer finished [almost] wine to steel tanks (Estufa) and simmer to 50degrees for 3 months

Fermentation begins.  
Halt fermentation by addition of a neutral grain spirit.

Note to Self: the earlier the addition, the sweeter the wine

---

## HENRIQUES & HENRIQUES 15YRS

GLASS \$12 // FLIGHT \$24

DRY | SERCIAL pronounced citrus characters and sharp acidity makes for a good apéritif

MEDIUM DRY | VERDELHO rounder than Sercial; its elegant fruit makes it suitable for both before and during food

MEDIUM SWEET | BOAL perfumed and medium sweet; harmonious balance between nuttiness (a word), sweetness, and acidity

SWEET | MALVASIA (Malmsey) the most recognised style ; rich, sweet, and full of milky chocolatey goodness

## AMARI & LIQUEUR

---

There's so much weight, history, and complexity packed into one little word - Amaro. We know it's Italian for *bitter*, and its plural is *Amari*, but when it comes to production, appreciation and consumption of Amaro, we're guided more by tradition rather than strict classification. Amari are created by macerating and/or distilling bitter barks, herbs, seeds, spices, citrus peels, flowers and other botanicals in a neutral spirit or wine that is then sweetened. We love Amari so much we have named our youngest daughter in its honour. All Amari \$10

AMARI \$10	Cynar	Lombardy, Italy
