WINE IN FOCUS

2016 WEINRIEDER GRÜNER VELTLINER
WEINVERTAL, AUSTRIA

If we were to choose a white wine to drink all summer long, this would 'shorely' be it. Grüner Veltliner is Austria's most important and most widely planted grape variety. This example from father and son team Weinrieder highlights Austria's trademark purity of fruit, transparency and typicity of variety, showcasing the grape's savoury crunch and white pepper spice. This grape does very well in Australia's cool climate regions but absoutley shines in this, it's true home.
