

PREAMBLE

The Shorehouse List is precise, yet laid back, with subtle refinement - much like our good selves.

You may find it both surprising and, at times, challenging. It has a quiet confidence that balances a mix of Australian heroes and classic examples from international regions.

From Margaret River to Montrachet, from Pemberton to Piedmont, there's wine for our loyal locals and for all ye diehard wine geeks.

We're an uncomplicated bunch; honest, rustic, straightforward, approachable and without pretense.

Talk with us about our wine, we love it all.

----	------------------	--------------	--------------------	------------------------	----

ABOUT | With over 50 vintages between them Mike Kerrigan (Hay Shed Hill) and Gavin Berry (West Cape Howe) know WA grapes as well as anybody. Their Pinot Grigio from Mt Barker and Frankland River goes into our house wine. Picked early to retain freshness and to keep alcohol low, this wine is clean bright and an easy summer drink.

*CORAVIN: TO PUT IT SIMPLY; CORAVIN ALLOWS US TO EXTRACT WINE FROM A BOTTLE WITHOUT REMOVING THE CORK AND DISRUPTING THE OXYGEN LEVELS.

HOW? A THIN HYPERDERMIC NEEDLE GOES INTO THE CORK AND ARGON GAS PUSHES THE WINE UP AND OUT. THE NEEDLE IS THEN REMOVED AND BECAUSE OF THE SPONGE LIKE TEXTURE OF THE CORK, ALL IS RESEALED - NEAT.

PÉT-NAT - For those with an inbuilt acceptance of rusticity

FUN FACTS

Pét-Nat is a term that's been hitting the headlines as of late, and while we are not the 'in' crowd, it seems to be what the cool kids are drinking. Simply put it's short for pétillant-naturel, also known as 'méthode ancestrale'. Well WTF does that mean? The wine is bottled before primary fermentation has finished, making these bubbles delicate, frivolous, fun and easy drinking.

MOSEL RIESLING

"People think German wine is complicated, but ask them what they think of Burgundy, and they love it. You can't approve one and not the other. It takes some learning, but I don't think it's too much to ask. Nothing simple was ever very satisfying" - KATHARINA PRÜM

ZELTINGER SONNENUHR +
WHELENER SONNENUHR

Slate, steepness, and its optimal exposure are the winning combination. Named after the sundials in the vineyards built in 1842 by Jodocus Prüm. These are the top of the pops vineyards, making the most notable and royal examples of this illustrious grape.

GRAACHER
HIMMELREICH

Attractiveness is the word here; racy acidity and pronounced minerality are features of this underrated vineyard. Accessible early and with potential to age, this site really does give the best of both worlds.

BERNKASTELER
LAY

The orientation means longer sun exposure. The Badstube typically produces floral, delicate and mineral driven wines. They are full, lush and tend to give lots of desirable fruit characters.

RIESLING FROM OTHER EUROPEAN SPOTS

German wine labels are complicated, terminology incomprehensible, but the wine is amongst the best in the world showcasing every nuance of terroir with ravishing delicacy and absolute clarity and transparency. Surely German wines have done enough to bust the myth that all Riesling is akin to sweet Liebfraumilch, aka Blue Nun. We certainly think so.

SHOREHOUSE GUIDE TO UNDERSTANDING

GERMAN WINE SPEAK - YAH

TROCKEN: literally 'dry'

KABINETT: lighter styles of wine an often off-dry

SPÄTLESE: picked one week after Kabinett grapes - typically fruity, medium-sweet

GRBOES GEWACHES: top of the pops; high quality dry wine from selected sites.

OLD WORLD CHARDONNAY

CHABLIS

"The only thing truly original in the world of wine is the underlying terroir and I have nothing else interesting to add. Anyone can copy anyone else's techniques so what else is there to make great wines? I believe the answer is simple: Terroir. I want to work only with the fruit from old vines and even then, only old vines that are planted exclusively within the original boundaries of Chablis. If I respect these things, it will be almost impossible to make bad wine."

- PATRICK PIUZE

ROSÉ + ORANGE

/| Ro·sé | \ /| Or·ange | \

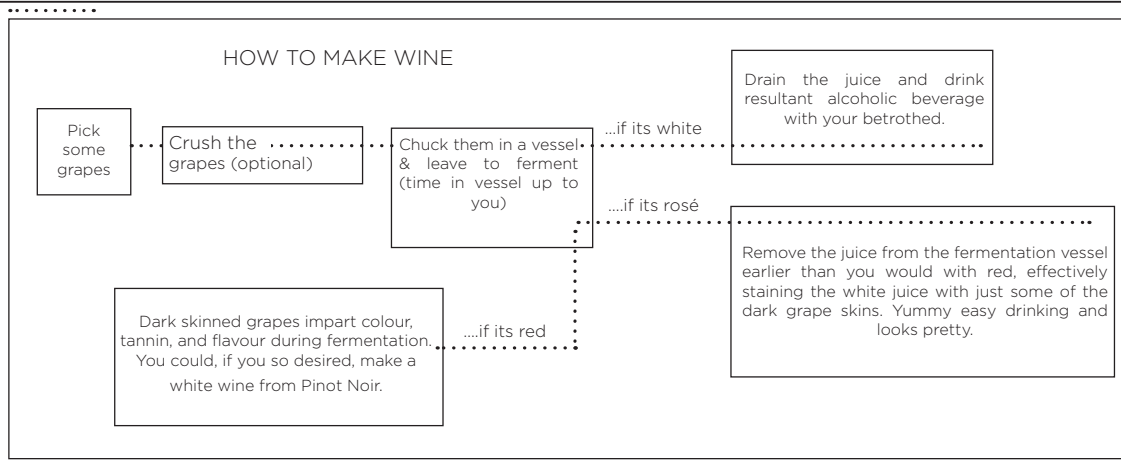

noun(s)

People stress over orange wine; It simply is a red wine, made with white grapes.

Why? Difference, texture, density of flavour

Sourced from: Provence, France | Margaret River, Australia | Adelaide Hills, South Australia

THE PINK & THE ORANGE

WHAT IS ORANGE WINE?

The Georgians started it, the Italians are famous for it, Aussies copied it and voila, it's now trendy. The juice is left in contact with the skins for longer than rosé but less time than the red stuff. Freshness of white wine with some phenolic grip of red.

/| Loire Vall-ey |\

Wine Region

The Loire is one of the largest and most diverse wine regions in France, producing virtually every type of wine – still & sparkling, dry & sweet, red, white, and rosé.

Whilst the leading white grapes of the Loire - Chenin Blanc & Sauvignon Blanc - are the world's benchmarks, the Loire's reds are less famous than its neighbours in Bordeaux or Burgundy. They are, however some of our faves. The Loire produces red wines with the same qualities we like to see in our fruit; vibrant, crunchy and flavoursome.

Who am I?

I come from the Gironde in Southwest France. I only discovered who my parents were in 1996, but I always knew Merlot was my half-sibling. I am known by many names including Lafite (Russia), Burdeos Tinto (Spain), or simply Bordeaux (Switzerland). I am the world's best travelled grape variety, am concentrated, tannic and enjoy long walks on the beach whilst the sun is setting.

MEET THE CABERNET FAMILY

WHAT ABOUT MALBEC AND PETITE VERDOT?

We hear you, but funnily enough although they are still on the Bordeaux registrar as two of the permitted grape varieties, they bare no genetic heritage with the other 4...

How did they get there? Ask Napoleon.

Wine Countries

These might be two of the most exciting wine regions in the world.

Unlike other places they are not experiencing a revolution, or an evolution of wine; this is an involution. The Italians and Spaniards are using of their own indigenous grapes, traditional wine making techniques and focusing on creating wine that is indicative of place.

* A LITTLE NOTE FOR A BIG ISSUE

We love Jancis (Master of Wine) and we think she knows her stuff. This is her take on the whole misuse of the words.

We down.

The word variety is a noun. When speaking about wine, a variety is a type of vine or a type of grape.

For example, Pinot Noir is a grape variety. Many people will use the word varietal when they really mean variety. Varietal is a descriptive term.

The word is increasingly misused in place of variety. Varietal glassware and varietal labelling are describing the object.

E.g. Pinot Noir is a grape variety that should be served in varietal glassware.

QUINTA DO NOVAL: FINE PORTS SINCE 1715

Noval made its reputation by introducing the first stenciled bottle of Port and in 1958 the first house to introduce a Late Bottled Vintage. Since then they have continued to pioneer the region in their pursuit of creating high quality and world renowned Ports.

LOCAL LINGO

TAWNY: STARTS OUT LIKE A RUBY PORT BUT SPENDS AN EXTENDED PERIOD IN WOOD. THE TAWNY PORT IS ALLOWED TO OXIDIZE DURING THIS TIME, THE COLOR OF THE WINE SLOWLY CHANGES FROM A PURPLISH-RED TO A TAWNY BROWN.

COLHEITA: [PRONOUNCED COL-YATE-A] IS SIMPLY, A SINGLE VINTAGE TAWNY PORT. (ALL GRAPES ARE FROM ONE HARVEST) WHICH ARE AGED FOR A MINIMUM 7YRS IN SMALL USED OAK BARRELS.

MADEIRA

'Top quality Madeira is one of the world's most wickedly underrated fine wines. I know you will have read that about Sherry - and that's true, too - but Madeira tastes like the elixir of life itself'

- JANCIS ROBINSON MW

THE PROCESS HOW YA MAKE IT

Bottle and rest for 90 days...
you also deserve a break,
you've just made Madeira

Transfer finished [almost] wine to
steel tanks (Estufa) and simmer to
50degrees for 3 months

Harvest ye grapes at varying
ripeness levels depending on
desired style of Madeira

Fermentation begins.
Halt fermentation by
addition of a neutral
grain spirit.

Note to Self: the
earlier the addition,
the sweeter the wine

HENRIQUES & HENRIQUES 15YRS

90ML GLASS \$12 // FLIGHT \$24

DRY | SERCIAL pronounced citrus characters and sharp acidity makes for a good apéritif

MEDIUM DRY | VERDELHO rounder than Sercial; its elegant fruit makes it suitable for both before and during food

MEDIUM SWEET | BOAL perfumed and medium sweet; harmonious balance between nuttiness (a word), sweetness, and acidity

SWEET | MALVASIA (Malmsey) the most recognised style ; rich, sweet, and full of milky chocolatey goodness

AMARI & LIQUEUR

There's so much weight, history, and complexity packed into one little word - Amaro. We know it's Italian for *bitter*, and its plural is *Amari*, but when it comes to production, appreciation and consumption of Amaro, we're guided more by tradition rather than strict classification. Amari are created by macerating and/or distilling bitter barks, herbs, seeds, spices, citrus peels, flowers and other botanicals in a neutral spirit or wine that is then sweetened. We love Amari so much we have named our youngest daughter in its honour. All Amari \$10
